**Subject:** Judges Needed for State Science and Engineering Fair

## MOSES AGAIN CALLS FOR VOLUNTEERS TO BE JUDGES AT THE MASSACHUSETTS STATE SCIENCE FAIR

Last year over 50 MOSES members volunteered to be judges.

(Not all members made it into the picture.)

High School science and engineering students are putting final touches on their research projects and preparing to compete in this year's science and engineering fair to be held at MIT on Friday May 6, 2011. Last year over 50 MOSES members representing nine different agencies volunteered to be judges at the Massachusetts State Science Fair. I would again like to publicize our involvement with this event and would like to encourage other members to participate.

If you are interested in becoming a judge at the Massachusetts State Science & Engineering Fair, please register online at [https://massscifair.org/hs\\_judges](https://massscifair.org/hs_judges). Access code: atmit

The event is eligible for the Commonwealth's SERV program. (State Employee Responding as Volunteer). This program allows eligible employees to volunteer for up to one paid day per month with supervisory approval. Please follow the instructions on the website to get approval. [www.mass.gov/serv](http://www.mass.gov/serv)

It is a great way to be seen in a positive light and to be involved with the future engineers and scientists of Massachusetts.

### **SCIENCE FAIR JUDGES NEEDED!! Friday May 6, 2011 Massachusetts State Science & Engineering Fair for high school students@ MIT**

All judges must have a degree from a four year college/university and work in an area of science and or technology. For more information [click here](#).

If you are selected to be a judge, please contact Janet in the MOSES office at 617-367-2727. We will be meeting right after the judges orientation in the rear of the auditorium for a group picture.
